

Welcome to InHouse Systems!

We are excited to announce that AHS Security is now part of the InHouse Systems family. Your security and fire alarm service plan has **not changed** in any way, and Rick Lebo and others that you know and trust are still here to serve you.

Here's what you need to know...

What stays the same?

- Your system monitoring plan and price has not changed.
- Your emergency contact list and password has not changed.
- The local service you have come to trust has not changed.

What has changed?

- You'll be seeing more InHouse Systems vehicles and signs as the AHS name is retired over the next few months.
- The invoices look a little different and payment address has changed.
- We offer online access to your account in addition to our Auto-Pay service.
- We offer **more commercial services** like surveillance, access control, fire alarm, data/fiber network infrastructure and audio/video systems.
- We offer **more Smart Home and Entertainment options** like Alarm.com, Alexa, Google Home, Apple, Bose, Sonos, Control4, Klipsch, Samsung, Sony and many more. We have expert advice to help make your home or business smarter, more convenient and more secure than ever!

If you have any questions, feel free to contact us by phone or email us at service@inhousesys.com.
